The Okinawa Marathon runs through different cities, towns, and villages in central Okinawa. The marathon aims to encourage people to enjoy running and increase their fitness level throughout Okinawa. The Marathon Race Committee also hopes the marathon will help the international and inter-cultural exchanges and it will add to your memorable experiences while on Okinawa.

## Main Venue (Okinawa Comprehensive Athletic Park)

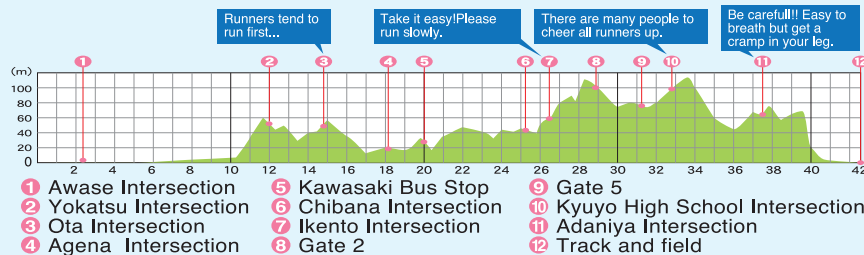

## Race Rules

The Okinawa Marathon adheres to the 2023 regulations of the Japan Association of Athletics Federations

1. Please make sure to attach the provided number card in a form as it is.
2. Proxy runner is strictly prohibited.
3. The executive committee does not allow any design and trademark which express company names and product names for commercial purposes to be worn or shown at the venue and the race course.
4. Those participating in the Okinawa marathon Competition Race are not permitted to receive any support from others by any means.
5. During the race please follow the advice of the police and the event staff.
6. Traffic control will be immediately cleared after the checkpoint is closed. Please follow the event staff's advice. Step up to the sidewalk and be off the road. Remove your number card and get on the runner collection buses, following event staff's guidance.
7. Running with stroller is strictly prohibited.
